

- |   |  |  |
|---|--|--|
| 1. Video input 1: HDCI (Composite, S-Video, YPbPr, DVI)   | 8. Video output 3: 2-BNC (S-Video, Composite)                                  | 16. Connectors for HDX Microphone Arrays (up to 4 microphones total) |
| 2. Video input 2: HDCI (Composite, S-Video, YPbPr, DVI)   | 9. Video output 4: (9004) DVI-I (VGA, DVI, YPbPr)                              | 17. IR receiver  |
| 3. Video input 3: 3-BNC (9004) (Composite, S-Video, YPbPr)   2-BNC (9001 & 9002) (Composite, S-Video) | 10. Audio input 1: Phoenix, stereo (main audio)                                | 18. POTS phone connection  |
| 4. Video input 4: DVI-I (VGA, DVI)  | 11. Audio input 2: Phoenix, stereo (VCR audio, assoc with video input 3)       | 19. H.320 network interface bay                                      |
| 5. Video input 5: (9004) DVI-I (VGA, DVI)   | 12. Audio input 3: (9004) Phoenix, stereo (PC audio, assoc with video input 4) | 20. LAN/NIC, 10/100/1000 auto sensing                                |
| 6. Video output 1: 2-BNC (S-Video, Composite) DVI-I (VGA, DVI, YPbPr)                                 | 13. Audio output 1: Phoenix, stereo (main audio)                               | 21. EIA electrical input   |
| 7. Video output 2: 2-BNC (S-Video, Composite) DVI-I (VGA, DVI, YPbPr)                                 | 14. Audio output 2: Phoenix, stereo (VCR audio)                                | 22. USB port (inactive)  |
|   | 15. RS-232 ports for control [Dual ports on 9004 / Single port on 9001 & 9002] | 23. 1394 Firewire (inactive)   |
|   |  | 24. PCMCIA slot (inactive)   |

TOGETHER, GREAT THINGS HAPPEN.
